Driving Innovation in FM

風險防控臻完美

Mastering Risks for Excellence

EXCELLENCE IN FACILITY MANAGEMENT AWARD (EFMA) 2026

will be officially launched on 2 Jun 2026

Bookmarked and Stay Tuned!

We are glad to inform that the EFMA will be returned in Jun this year. With the slogan of “**Driving Innovation in FM, Mastering Risks for Excellence**” the Organising Committee hopes to evaluate the strategies and action plans in integrating innovative initiatives into facility management services as well as controlling the potential threats, to create a more intelligent, effective and safety environment for their stakeholders at nominated facility projects. A Theme Award on “**Mastering Innovation and Risk**” would be granted to organisations / management teams with outstanding achievement in this specific area for Year 2026.

Applications / Nominations are accepted between 2 Jun and 17 Jul. For the applicant who registered on or **before** 10 July 2026 can enjoy HK\$1,000 early-bird discount!

Bookmarked our official website:
